Commissioner for Patents

Sir:

In response to the Office Action mailed June 23, 2005, an Amendment and Request for Examiner Interview was filed on December 23, 2005 with a Petition for a three-month extension of time. Included in the papers filed on December 23, 2005 was authorization to "charge [the previously identified Deposit Account] any additional fee required under ... 35 CFR 1.17 (processing fees) during prosecution of this application ... to maintain pendency hereof ..."

It is respectfully requested that the sentence quoted above be interpreted as a Request for Continued Examination if the Amendment filed on December 23, 2005 is not entered. The RCE fee of \$790.00 should be charged to our Deposit Account No. 19-3935 as requested in the papers submitted on December 23, 2005.

If the request in the preceding paragraph is not granted as having been timely filed, revival of the application under 37 CFR § 1.137(b) and continuation of prosecution under 37 CFR § 1.114 is respectfully requested. Clearly, the intent of the Applicants was to continue prosecution and therefore, if a Petition to Revive is deemed to be required, the delay in filing the required reply from the due date for the reply until the filing of a grantable petition was

unintentional. If the request in the preceding paragraph is not granted, please charge all requisite fees for both revival and continued prosecution to our Deposit Account of 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
